

Prehistoric “J” – Element?..
(A new theory on Mu-Asma matter)

Abstract: In this Scientific Research Article, it is focused that the “**first element**” evolved in the **material universe** shall be considered as only “**single element**”. This single element shall be hypothetically called as element “**J**”. In Pre-historic Tamil language this element shall be called as “**CHISU**”. CHISU shall mean “**INFANT**” or “**Glittering Star**” and shall be denoted by single alphabet “**J**”. The “**J**” element is considered originated ever before origin of so called **PLASMA** matter. The newly classified “**J**” element shall also be called as “**MU-ASMA**”. Plasma shall mean species matter to Mu-Asma.

(CHISU)

*“It is focused that the matter in the Early Universe shall be considered having three stages Alasma, Muasma, Plasma before gaining regular Molecular structure to the three states of matter SOLID, LIQUID, GAS. White flame or J-Radiation shall be considered as Muasma matter and considered as **HEART OF SUPER NATURE**. Lightning, light, electricity, fire, electromagnetic radiation, alpha beta gamma radiation, x-ray radiation etc shall be considered as Plasma species to Muasma matter.” - Author*

[M.Arulmani, B.E., V.R.Hema Latha, M.A., M.Sc., M.Phil. **Prehistoric “J” – Element? (A new theory on Mu-Asma matter)**. *Academ Arena* 2014;6(1):65-76]. (ISSN 1553-992X). <http://www.sciencepub.net/academia>. 8

Key Words: 1) Philosophy of **Alasma** (Al-Asma); 2) Philosophy of **Muasma** (Mu-Asma); 3) Philosophy of **Plasma** (Pl-Asma); 4) Philosophy of “**Magnetar**”; 5) Philosophy of “**Mothers Womb, Embryo, Fetus**”

1. **Introduction:**

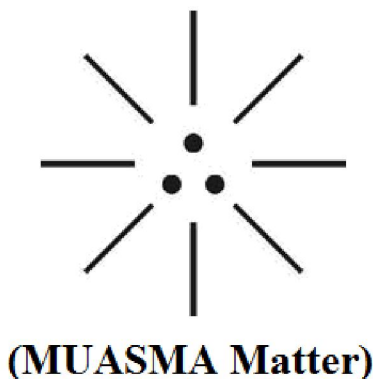

In the history of evolution of matter, there are **5 elements** are normally considered in many philosophies and traditions, such as **Chinese, Japanese, Buddhist, Greek, Babylonian & Alchemy** around the world. In **Medieval alchemy** the number of traditional elements varies from 4 to 8, i.e.,

- | | |
|-----------|------------|
| (1) Air | 5) Aether |
| (2) Fire | 6) Sulphur |
| (3) Water | 7) Mercury |
| (4) Earth | 8) Salt |

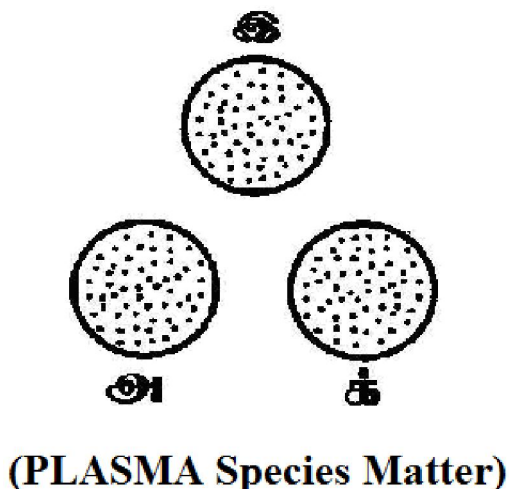

Of the above 8 varied elements, the first 4 elements are always found constant in every philosophy. The 5th element **Aether** is considered important in some traditions in **Greek**. Sulphur, Mercury & Salt are considered as Standard **classical elements**. It is focused that “**J**” element shall be considered as the First super natural radiant element originated in the **material universe**. In the Expanding Universe “**EVR**” shall be considered as the **three-in-one** super natural **TRIPOD** house or **HOLY TEMPLE**. EVR shall mean mega star (Periavar).

It is emphasized that all the so called 8 elements based on Medieval Alchemy might have been evolved subsequently from the most fundamental element **J**. Further, it is stated that thousands of so far discovered elements existing in the material universe shall be considered as “**species elements**” to the fundamental element, and Millions of Elements are yet to be **discovered**.

2. **Previous Publication:**

The philosophy of origin of first life and human, the philosophy of model Cosmo Universe, the philosophy of fundamental neutrino particles have already been published in various international journals mentioned below. Hence this article shall be considered as **extended version** of the previous articles already published by the same author.

3. Hypothesis:

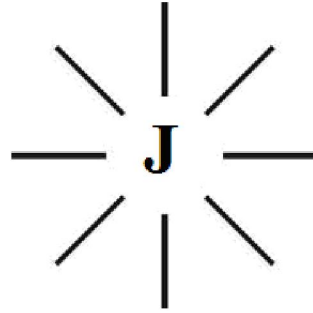

(a) In the Cosmo Universe **J**, **EVR (Mega Star)** shall be considered as “**natural body**” of the Cosmo universe which makes the “**Law of Universe**” and existence of the matter in the material Universe under “**Equilibrium condition**”. **E** stands for “**SUN**”; “**V**” stands for “**EARTH**”; “**R**” stands for **MOON**.

(i)

(Mega Star)

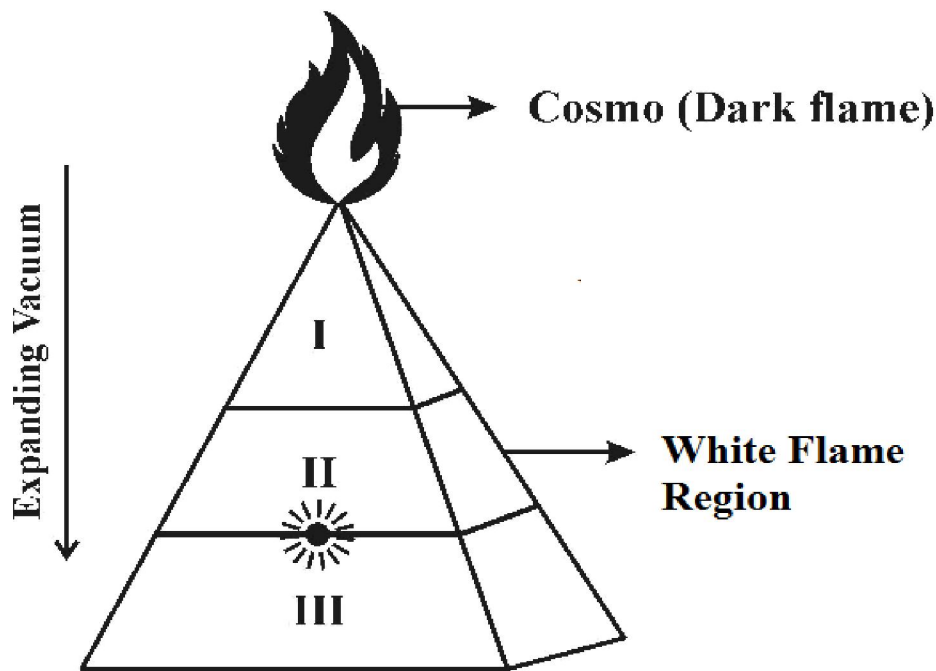

(ii)

(Glittering Morning Star)

(b) The mega star shall be considered as super natural Cosmo Universe and shall be defined within the following scope.

- i) Mega star considered as closed container like **tripod house** having **THREE-IN-ONE** regions of distinguished radiation. The highly froze **DARK FLAME** shall be considered as the origin of Universe containing infinite level of internal energy required for expanding Universe.
- ii) Mega star shall be considered as the **SUPER NATURAL VIRGIN MOTHER**.
- iii) The material universe (Region-III) shall be considered as the **WOMB** of virgin mother.

(MODEL COSMO UNIVERSE)

Region I – Perfect vacuum region (Anti-Neutrinos radiation)

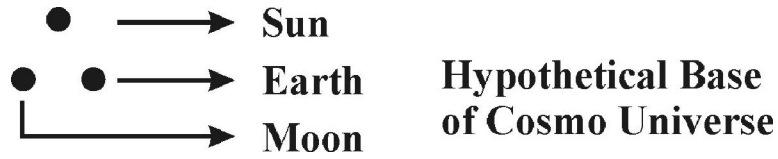

Region II – Partial vacuum region (Neutrinos radiation)

Region III – Observable Vacuum region (EMR radiation)

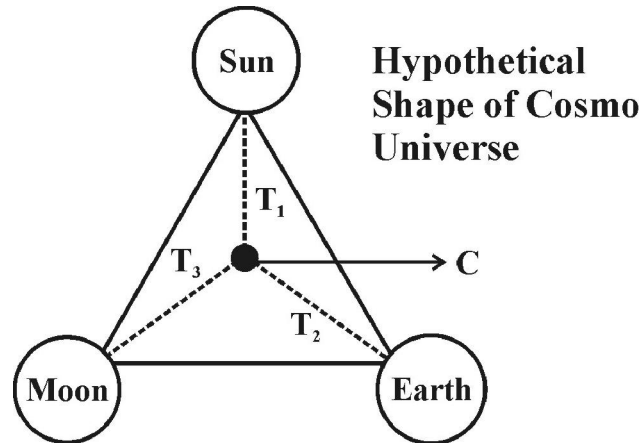

“The Dark flame shall be considered as origin of Universe and SUN, EARTH, MOON shall be considered as THREE-IN-ONE foundation of the Universe”

- Author

(i)

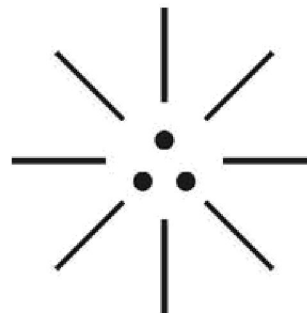

(ii)

(c) The Glittering morning star shall be considered as **WHITE FLAME** derived from Dark flame. The philosophy of Glittering star shall be defined within the following scope.

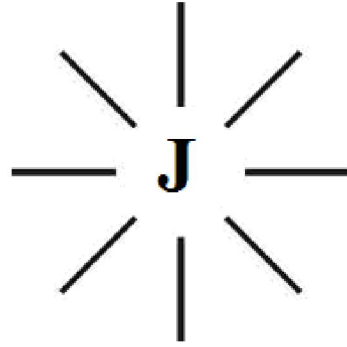

- i) The white flame shall be considered as **3G TABLET** consists billions of scientific logic for growth of matters in the expanding universe.
- ii) The white flame shall be considered as **THREE-IN-ONE** fundamental neutrino particles i.e. **PHOTON, ELECTRON, PROTON** having **zero mass**. The white flame particles shall also be called as **God particles** or **J-RADIATION (Muasma matter)**.
- iii) The white flame shall be considered as **3G TABLET** embryo within the womb of super natural virgin mother.

(i)

(3G Tablet)

(ii)

(WHITE FLAME)

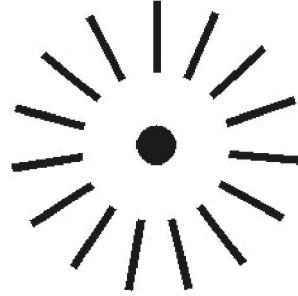

4. Hypothetical Narrations:

A) The Philosophy of Mother's Womb and Embryo?...

It is focused that the mother's womb shall be considered as material universe (Region-III) responsible for growth of matters in the expanding Universe. 3G Tablets shall be considered as the **Muasma matter** shall be considered as derived from the Dark flame and consists of **THREE-IN-ONE** fundamental neutrino particles. Philosophy of Mother's womb shall be defined within the following scope.

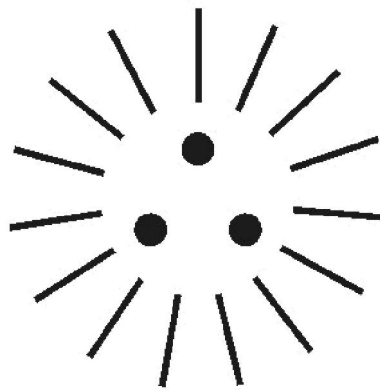

- i. The womb of mother shall be considered as having full of Dark energy and Dark matter derived from dark flame. The dark flame shall also be called as **Alasma matter**.
- ii. The womb of mother shall be considered as under highly freezed state on initial condition.
- iii. The lining of womb (Endometrium) shall be considered as having three layers of energy derived from three regions of Cosmo Universe.
- iv. The Ovaries of the mother (left and right side) shall be considered as derived from the fundamental Neutrino particles Photon and Electron. The total Embryo shall be considered as **THREE-IN-ONE** particles and third particle shall be considered as Photon derived from the J-Radiation. The Embryo in total shall be considered as **3G TABLET** or God particle.
- v. The Fetus developed in the Mother's womb shall be considered as species to Muasma matter.
- vi. The grown up infant shall be considered as Plasma matter derived from the Alasma, Muasma matters. The Mother's womb contains tissues, glands, blood vessels in the Endometrium shall be considered as species matters to the **Plasma infant**.
- vii. Various other matters developed in the Mother's womb in the expanding Universe such as Oxygen air for breath, amniotic fluid for supporting embryo, Neutrino based blood etc shall be considered as subsequent matter originated in the expanding Universe of Mother's womb.

(i)

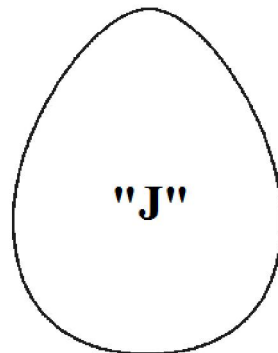

(ALASMA MATTER)

(ii)

(MUASMA MATTER)

(iii)

(MOTHER'S WOMB WITH J-ELEMENT)

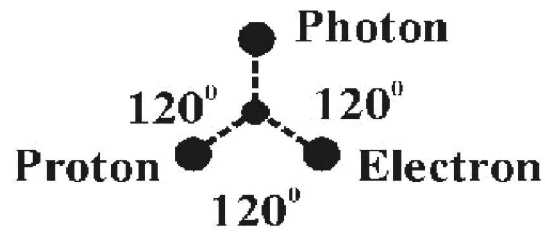

“J-ELEMENT shall be considered as the INFANT (Godly Element) of mother Universe”

- Author

B) J-Element has any molecular structure?...

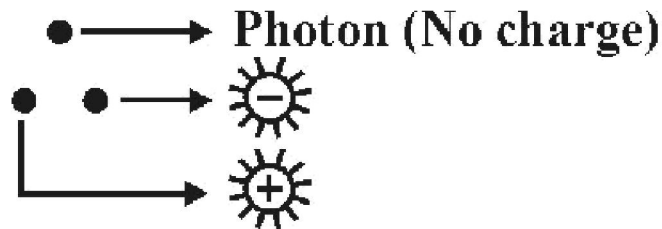

It is focused that the J-Element shall be considered as having definite molecular structure, electromagnetic property, charge property which might have been derived from the fundamental Neutrino particles PHOTON, ELECTRON, PROTON.

(i)

(Neutrino Oscillation)

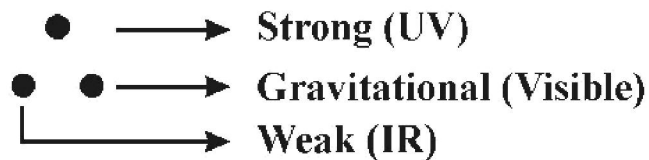

(ii)

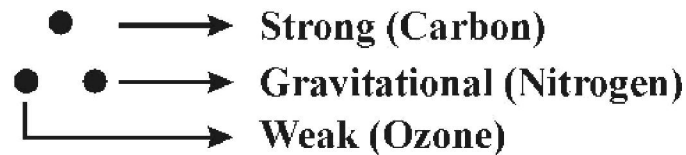

(iii)

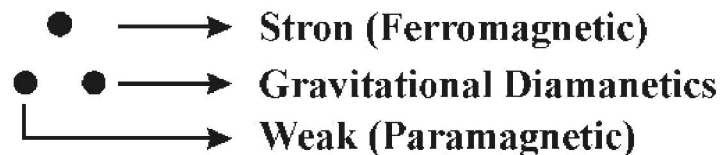

(iv)

(v)

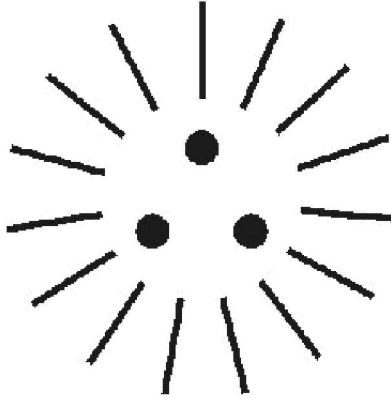

(vi)

C) Philosophy of Magnetar?...

Case study shows than the discovery of so called massive mega star “Magnetar” is considered as dwarfed our Sun and is now challenging theories of how stars evolve, die and form black holes. Magnetar is considered as extremely dense, super magnetic star that can form from supernova explosion. It is speculated that the mega star Magnetar shall be considered as species to Plasma matter in the earlier Universe before formation of full fledged matters in the material universe. It is focused that the Magnetar shall be considered as **super star** of Universe and acronymically called as “**MGR**”.

(MGR)

5. Case Study on Plasma matter:

Case study shows that Plasma is one of the states of matters. The other states of matter are liquid, solid and gas. Typically Plasma matter is made by heating a gas until its electron have sufficient energy to escape the hold of the positively charged nuclei. The Plasma matter is used in television, neon sign, fluorescent light. Some of the other examples of Plasma matter are welding arc, solar radiation, earth atmosphere, interstellar gas clouds etc.

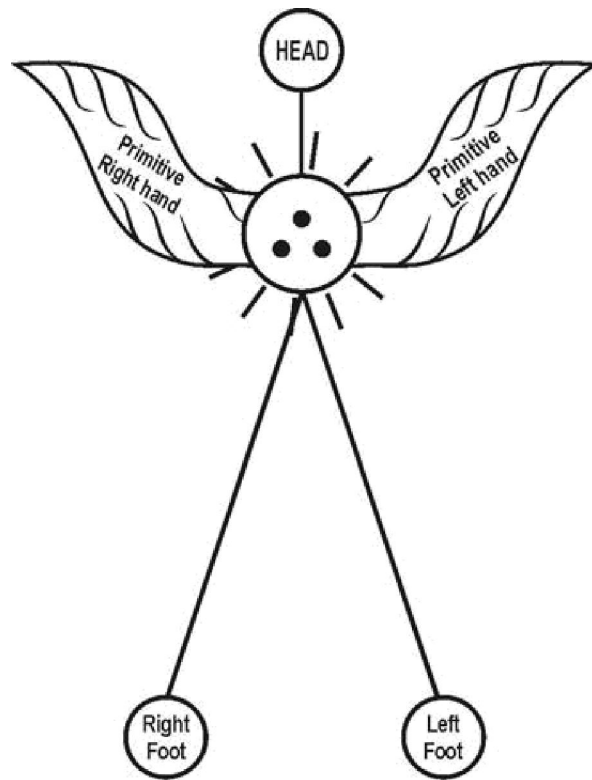

Plasma was first identified as **radiant matter** by Sir William Crookes in 1879. Further Sir J. J. Thomson identified the nature of the matter in 1897. Irving Langmuir who assigned the term Plasma in 1928.

“It is focused that the philosophy of Mother’s womb, Uterus might have been derived from the prehistoric Tamil phonetic KARUPPAI. KARUPPAI shall mean tissue like body having full of Dark energy and Dark matter derived from the DARK FLAME”

- Author

6. Conclusion:

It is focused that the entire Cosmo Universe associated with material universe shall be considered as **SUPER NATURAL BODY**. The super natural body cannot be seen by naked eye by an ordinary human, but however the image of super natural body can be seen by everyone.

(PERIAVAR)

Bible source:

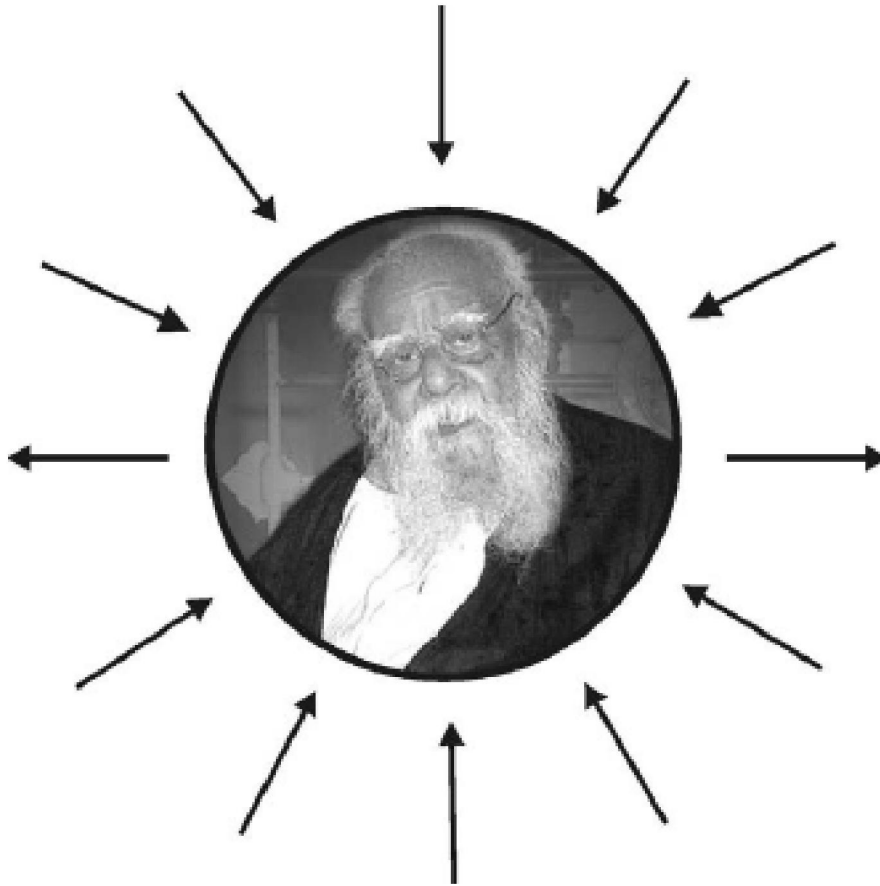

Bible evidence shows that prehistoric human populations are capable of flying in the sky

(Ps 91:4, Ps 36:7, Ruth 2:12, Luk 2:10-13, Mal 4:1-5).

(ii)

A TRIBUTE TO THE GREAT MAN

(Electromagnetic Human)

(EVR alias PERIAVAR)

A man of Black and White. Through black he absorbs all Infrared and ultraviolet radiation and through white he emits visible spectrum of energy to keep the environment balanced and Healthy.

Black means holy; the Symbol of Sacrifice,
White means Pure; the Symbol of Redeem.

Carbon is the Soul of Life. Author considers Thanthai Periyar as Electromagnetic Human evolved of dark matter and Anti-neutrinos of universe and sent as messenger of HEAVENLY FATHER.
