Over 2500 women converted to Islam in Kerala since 2006, says Kerala Chief Minister Oommen Chandy. And Chandy said that among those converted to Islam during 2009-12, as many as 2667 were young women of which 2195 were Hindus and 492 were Christians.

"Love Jihad in Kerala is part of global Islamisation project" said Global Council of Indian Christians. In 2009 Kerala Catholic Bishops Council (KCBC) had stated that more than 2600 young Christian women were converted to Islam since 2006. KCBC's Vigilance Commission for Social Harmony had called Christians to be on guard against the phenomenon.

The Islamification of Britain: record numbers embrace Muslim faith! The number of Britons converting to Islam has doubled in 10 years. Why? Jerome Taylor and Sarah Morrison investigate!

In Schools, Colleges, Hostels, Clubs, Offices, Workshops and anywhere Muslims have started discussion with the Christian community on the issue of religion and after praising the Bible prove them-selves that they know every thing and they start discusseion on Jesus? Whether he is Son of God or Prophet? Taking this point of view, the wolf in sheep's clothing type of Muslims interpret wrongly and quote verses to put doubts and thus lead Christians away from the true God. This is how weak all other religions people are cheated and converted to Islam. Then they are brainwashed to join the terrorist movement and these converted peoples and trained to destroying another innocent peoples and astablishments!

FACT: To make our women folk alert, if awareness is made among girls during the Assembly session of the School and College once in a year, regarding the respect and position granted to Islamic women by Quran, our girls will be alert and think twice before taking any wrong step.

Prime Minister of Bangladesh Sheikh Hasina & All India Muslim Women Personal Law Board President Mrs. Shaista Ambar & Kerala State Womens Commission Member Adv.Noorbeena Rasheed.

Really: All the Islamic Women are only Broiler-Chicken for Mohammed-Nabi and his Friends!

Boko Haram releases new video of abducted girls

AFP | Aug 14, 2016, 06.05 PM IST

KANO: On the night of 14-15 April 2014, 276 female students were kidnapped from the Government Secondary School in the town of Chibok in Borno State, Nigeria. Responsibility for the kidnappings was claimed by Boko Haram leader Abubakar Shekau, an extremist and terrorist organization based in northeastern Nigeria. Boko Haram on Sunday released a new video purportedly showing some of the schoolgirls kidnapped by the jihadist group from the Nigerian town of Chibok more than two years ago. A man said: "They should know that their children are still in our hands, some of the girls, about 40 of them, with God's permission have been married, and some have died as a result of bombing." Boko Haram has been blamed for some 20,000 deaths and displacing more than 2.6 million people since it launched a brutal insurgency in Nigeria in 2009. Investigators zero in on doctor behind Nimisha's religious conversion.

[http://english.mathrubhumi.com/July 20, 2016, 09:47 AM IST.](http://english.mathrubhumi.com/July_20_2016_09:47_AM_IST)

Thiruvananthapuram: The Intelligence agencies have widened their probe into the religious conversion of Nimisha, a dental college student hailing from Thiruvananthapuram, who is suspected to have joined Islamic State among other youths missing from the state.

A doctor, whom she met during her medical entrance coaching classes here, is suspected to be behind the religious conversion of Nimisha. The person, who hails from Attingal, and his mother are said to have forced her to convert to Islam if she wishes to marry him. The conversion took place at a centre in Thiruvananthapuram after which she changed her name to Fathima.

When Nimisha got admission at the dental college in Poinachi in Kasaragod, this person went to study MBBS at Jipmer in Puducherry. The person kept in touch over phone. The investigators have collected all the details of the mobile phone conversations. This person had reportedly encouraged Nimisha to attend classes of a particular religious group.

The relation between Nimisha and this person continued till 2014, after which he broke up with her saying that he cannot get married to a woman converted to Islam as per Sharia law.

Nimisha met Bexson Vincent alias Eeza through Ayisha and Maria, who were active workers of a particular religious group.

Love, jihad aur dhoka: The Hindu woman's body as rightwing battleground.

National-level shooter Tara Shadeo says she thought she was marrying Ranjit Kumar Kohli from Ranchi but it turned out he was really Raqibul Hasan Khan. After their wedding which happened with Hindu rites she says she was tortured, abused, even bitten by dogs as he tried to force her to convert to Islam. It's a ghastly story and Hasan, who is absconding, has been charged with IPC section 295A. But now it's become not just Tara Shahdeo's trauma. It's Exhibit A in the larger Love Jihad firestorm. (By Aug 25, 2014 17:31 IST Latest News India News Sandip Roy).

The 'Love Jihad' process takes place as follows:

Mohammed-Nabi said in Al-Ma'idah 5:51: O believer do not take Jews and Christians as friends, they are friends of each other among themselves. But the wolf in sheep's clothing type of Muslim boys target Orthodox Hindu & Christian girls and entice them for marriage and convert them to Islam. As per the Agenda of Global Islamisation Project an organization has been formed in the name of "Love

Jihad” at International level and its branches have been spread in all States whole over India. This organization is doing brain mapping of the girls of other religions; tries to bring them in Islam by arranging love marriages. Once these girls are married, the Muslim husbands find reasons under their Quran (Nissad 4:20) to pronounce Talak and divorce them. The married girls are afraid to re-convert back to their earlier faith because according to the Quran, (At-Taubah 9:12, 14) anyone who leaves Islam can be killed. If our women folks are made aware of the position and respect for women given by Quran, then they will be alert on this. If we keep quit on this issue, this Organization will cheat our girls and convert them into Islam by marrying them.

Introduction of Quran

On August 10, 610 Mohammed-Nabi said that Qur'an was presented by "Allah" to him after he approached the Christians proclaiming that he was the Spirit of Truth whom Jesus had promised to his disciples. Christians said: 'This is an open magic, the Spirit of Truth but not you! And they said you brought a slave who had some knowledge of scripture and he taught you about the Bible. Then Nabi fabricated words for Quran and therefore he is not a true Prophet! Then Nabi said Jesus was not a Son of God but only a Prophet. And Nabi said in S-AL-ZUKHRUF-43:61:1111: And undoubtedly, Isa (Jesus) is the news of the Hour, therefore never doubt about the Hour and follow me. This is the straight path. Jesus will come back to earth and every being will be judged by Him according to his acts. Really Nabi knew through his slave that Jesus is the Supreme Authority over Human-race and a Mighty-God who is Son of God! At that time Nabi was a rich-man but his childhood was very poor and sorrowful and he doesn't even know the name of his parents' (S-Al-Duha 93: 1413, 1415 & 1414). He lied saying that those who believe that Jesus is the Son of God are enemies of Allah. Muslims, who kill the enemy of Allah, will reach heaven! This means that Allah cannot protect himself?

Nabi said that all true Muslims use strength in war and may slay peoples of other religions who do not believe in Islam; all should be slain or be crucified or their hands of one side and the feet of the other side be cut off or be sent far away from the land. At that time of war Christians started praying to have peace in the world and they believed in one man and one woman relation in marriage. But Nabi and his friends started the practice of choosing their Arab-war-widows, war-daughters, war-mothers and war-sisters, slave-women and poor-girls to get married, thereafter they divorced them and married other women thereby destroying good family life of mankind. According to the God's law and natural

law one man should be married to only one woman. During war time Nabi said to his wives in (S-Al-Tahrim 66:5) if I divorce you, my Lord may give me in exchange, better wives than you; obedient, believing, well mannered, penitent, devout in worship, fasting, married and virgins. Thereafter Nabi married more virgins and women. And Nabi said to innocent Arab people in (As-Saff 61: 4, Ale-Imran 3: 158) Verily, Allah loves those who fight for His Cause in rows (ranks) as if they were a solid structure. And whether you die, or are killed, verily, unto Allah you shall be gathered. In the year 629 once a Jewish woman prepared dinner for Nabi and some of his men. Unknown to them she had put poison in the lamb that was served at dinner Nabi ate some of the lamb and as a result of poisoning, died later in June 8, 632, Medina, Saudi Arabia. After few weeks, the communal war stopped.

Marrage Law in Quran: True Muslims, you are marrying four women bought with money, marry the daughter of wife, and marry the wife of adopted son. And your women are tilths for you; thus, you may enjoy this privilege however you like if bored with them, leave them and marry another woman. If the woman who is being left is pregnant he gives her daily wages till child is born and pay the mother who is breast feeding her child and then separate the mother and child and if this woman commits adultery then stone her to death. And it is proved that Quran words are favourable to rich Muslims but like Atom-bombs for Islamic women and these women are only broiler-chicken for Mohammed-Nabi and his friends according to the Quran. Therefore I request to you and all the Muslims please repent and refuse to listen to the destroyer Nabi and his Islamic faith and join know the true God for your good eternal future and of your mothers, your sisters, your daughters and your friends, that peace may reign in the world and the souls of faithful reach in heaven!

The Wolf in Sheep's Clothing type of Islamic Scholars, interpret Bible wrongly and quote verses to put doubts and thus lead Christians away from the true God. Thus weak Christians and other religions are cheated and converted to Islam, then they are brainwashed to join the terrorist movement and they destroy other innocent peoples. Since the year 2000, Catholics population was more than Muslims but in the year 2016 Catholics are 1,200 million and Muslim population is 1,500 million and by the year 2050, Islamic Scholars target a population of 3,300 million and with the above tactics, your population is going on increasing. One who does not participate in the world Islamification programme is considered as devil and his soul will reach hell and it is shown that according to the words of Quran, what Islamic state do is right and 'after death all the terrorists souls reach

heaven' which is the false faith of Islam! If such trend continues according to promise of Nabi one day Muslims with weapons may try to slay peoples of other religions who do not believe in Islam. Thus it is proved that Quran Words are like Atom-bombs for all Peoples of other Religions & for Islamic Women too. Therefore I request all the Muslims, please repent and refuse such devilish faith for your own good future and eternal life. Chose the only WAY, TRUTH which gives LIFE eternal!

Islamic-Scholars: I have completed comparative study of "Bible & Quran" and I am submitting before you the same articles with an intention of bringing peace to this world. By this article, I have proved that "God is a Trinity" and "Jesus is the Son of God" and that Prophet Zechariah's vision about the Worthless Shepherd is in fact Mohammed Nabi! If you research and prove these articles are false and that Jesus is not the Son of God and that Jesus Christ is the way to hell and Islamic terrorist movement is the way to heaven, with evidence of spiritual articles then, I will accept Islam! Or else you should accept the loving Jesus-Christ as your Lord and Saviour and become an heir of Heaven. Are there mention any prayer word in Qur'an please declare before the world?

FACT: Our national population ratio is 1000 men for 987 women, but not one man for seven women. According to the natural law one man should be married to only one woman. But in our country many Rich Muslim men have even seven wives including girls of other religions by following the Love Jihad process. As a result, very craftily, the number of Muslim women will increase and will be available for remarriage to Muslim men! This is their hidden agenda to increase Muslim population! If young girls and parents are warned in advance about such, Love Jihads' which will only destroy Indian Society, no girl will fall into their traps! The Love Jihad ideology is being tried to bring whole over in our country by the "Global Islamisation Project". If such law is enacted, our daughters/girls will be able to take their right decision and make their future life peaceful and enjoyable. Whenever a Muslim youth comes to the office of Sub-Registrar for registering his marriage with the girl of other religion, before registering their marriage, Sub-Registrar should explain to the girl of other religion the provisions existing for Muslim women in Quran. In this regard a written explanation shall be provided to the girl and she should be given a month's time to study and take her firm decision in respect of her marriage with Muslim boy.

Dear Sir, do you wish to see peaceful Indian family life destroyed by Islamisation society? Please do something!

God bless you,
A Truth Seaker,
S/d
Francis Xavier
