Life Science Journal

(Acta Zhengzhou University Oversea Version)

Life Science Journal, the Acta Zhengzhou University Oversea Version, is an international journal with the purpose to enhance our natural and scientific knowledge dissemination in the world under the free publication principle. The journal is calling for papers from all who are associated with Zhengzhou University – home and abroad. Any valuable papers or reports that are related to life science—in their broadest sense—are welcome. Other academic articles that are less relevant but are of high quality will also be considered and published. Papers submitted could be reviews, objective descriptions, research reports, opinions/debates, news, letters, and other types of writings. Let's work together to disseminate our research results and our opinions.

Introductions to Authors

1. General Information

(1) **Goals:** As an international journal published both in print and on internet, *Life Science Journal* is dedicated to the dissemination of fundamental knowledge in all areas of life science. The main purpose of *Life Science Journal* is to enhance our knowledge spreading in the world under the free publication principle. It publishes full-length papers (original contributions), reviews, rapid communications, and any debates and opinions in all the fields of life science.

(2) **What to Do:** The *Life Science Journal* provides a place for discussion of scientific news, research, theory, philosophy, profession and technology that will drive scientific progress. Research reports and regular manuscripts that contain new and significant information of general interest are welcome.

(3) **Who:** All people are welcome to submit manuscripts in life science fields. Papers of other fields are also considered.

(4) **Publication Costs:** US\$30 per printed page of an article to defray costs of the publication will be paid by the authors when it is accepted. Extra expense for color reproduction of figures will be paid by authors (estimate of cost will be provided by the publisher for the author's approval). For the starting, publication fee will be waived for the current issues and they will be supported by Zhengzhou University.

(5) **Journal Copies to Authors:** One hard copy of the journal will be provided free of charge for each author.

(6) **Additional Copies Bought by Authors:** Additional hard copies and offprints could be purchased with the price of US\$4/issue (mailing and handling cost included).

(7) **Distributions:** Web version of the journal is freely opened to the world without payment or registration. The journal will be distributed to the selected libraries and institutions for free. US\$5/issue hard copy is charged for the subscription of other readers.

(8) **Advertisements:** The price will be calculated as US\$400/page, i. e. US\$200/a half page, US\$ 100/a quarter page, etc. Any size of the advertisement is welcome.

2. Manuscripts Submission

(1) **Submission Methods:** Electronic submission through email is encouraged and hard copies plus an IBM formatted computer diskette would also be accepted.

(2) **Software:** The Microsoft Word file will be preferred.

(3) **Font:** Normal, Times New Roman, 10 pt, single space.

(4) **Indent:** Type 4 spaces in the beginning of each new paragraph.

(5) **Manuscript:** Don't use "Footnote" or "Header and Footer".

(6) **Cover Page:** Put detail information of authors and a short title in the cover page.

(7) **Title:** Use Title Case in the title and subtitles, e. g. "Debt and Agency Costs".

(8) **Figures and Tables:** Use full word of figure and table, e. g. "Figure 1. Annual Income of Different Groups", "Table 1. Annual Increase of Investment".

(9) **References:** Cite references by "last name, year", e. g. "(Smith, 2003)". References should include all the authors' last names and initials, title, journal, year, volume, issue, and pages etc.
