

The further information to authors

Dear Author(s):

You are welcome to submit manuscripts and publish your knowledge spreading in the world under the free publication principle in World Rural Observations. Let us meet in World Rural Observations.

As the cost of the online hosting, Internet servicing, editing, handling, etc, it needs some financial support to cover the expense. Currently, the journal (online) is charging the publication fee for

US\$30/article. If there are any problems for you to pay the publication fee, please email me to ask for a waiver or a part waiver. The waiver means that you will not pay anything, and the part waiver means that you will pay any part of the US\$30 (from US\$1 to US\$29). You are fully welcome to publish your article in the journal even you need to ask the waiver. The hard copy will be charged US\$100/issue to cover the printing and handling cost.
